Introducing . . . Annie's Resale for the World

Who We Are

We are a 501(c)(3) organization founded by a small group of people who traveled the globe and had the opportunity to work with dedicated Christian leaders. These leaders faithfully serve the poor in their villages, towns and communities throughout Kenya, Uganda, Burma, Haiti, India and the U.S.

What We Do

Through our collection and sale of high quality donated clothing and household goods in our resale shop, we support these leaders in their tireless work of educating children, providing food, shelter and emergency relief to families, and strengthening local churches and community programs.

Who We Support

ARFTW partners with six international leaders and one local Chicago agency. Our partners were carefully chosen, because our staff and board members have personally witnessed their incredible work in the towns and villages they serve. We know our partners. We trust them. And we want to support their work and the people they love.
