

“Praise God from Whom All Blessings Flow...”

**Our Heartfelt THANK YOU for helping us build a playground
in Kampala, Uganda!
February 2018**

As many of you know, we recently had a special request from our Uganda Partners, Pastor Butch Dodzweit and his loving wife Janeffer, to help build a new playground for the 300 primary school children in their school in the capital city of Kampala.

You answered the call, and the new playground is now being set up and enhanced as we speak. ***This is what the kids had to play on before...***

Thick Ropes for Swings

A Very Ricketty Slide

And THIS is what they are playing on now!
